## Progress Coach and Student Liaison Officer

**What is your job role** – *As a Progress Coach, I assist the students to progress to their chosen destinations such as apprenticeships, university or in the workplace. I provide a listening ear for students that need to talk and I also monitor attendance and behaviour. As part of the Liaison Officer role, I make sure that college is a safe space for students and that they are able to find their way around.*

**What is the most rewarding part of your job** - *When students come to me with a problem because we have built that level of trust.*

**What do you love about the sixth form college** - *I love that it is a really caring place to work and study. The students and staff are just great!*

**What is your favourite takeaway** - *Chinese, easily. (It tastes even better the next day when it's been reheated).*

**Do you have any hidden talents or hobbies** - *I play women's cricket and I can also play the piano (badly, I might add).*

**What are you currently binge watching** - *Married at First Sight, Australia.*
